

## Players To Watch: November 16, 2010

Please find attached the Players to watch list consisting of the various NCAA leagues.

Players Have Been Identified Using the following Criteria:

A Rating -- A 'must see' player who is predicted to be a potential First or Second Round Draft selection in the upcoming NHL Entry Draft

B Rating -- A player to note if you are in the area, a potential selection in the Third to Fifth Round Draft Selection in the upcoming NHL Entry Draft

C Rating -- A player that Central Scouting is tracking, a potential late round selection in the upcoming NHL Entry Draft

We have not seen all the players in these various leagues as often as necessary to make final judgment, therefore, we may in the future update our opinion on these players and others prior to our Mid-Term Ranking Release in January

**Updates will be made directly to the watch list posted on the Central Scouting website along with a Domestic News release to outline the change.**

Should any of these players suffer a significant injury or change teams prior to our Mid-Term Ranking release in January, every effort will be made to post this information on our Central Scouting website for your scheduling purposes.

Leagues that are blank means that there are currently no players being tracked but the status could change.

PLEASE CHECK WEBSITE REGULARLY
